Re: *Peralta-Jimenez v. U.S. Citizenship & Immigration Services, et al.*,
07 Civ. 7386 (GBD) (MHD)

Dear Judge Daniels:

I represent the defendants in the above referenced *pro se* lawsuit, concerning a decision by the U.S. Citizenship and Immigration denying plaintiff's application for naturalization. Since the initial conference in this matter, the agency has vacated the decision at issue and agreed to reopen the plaintiff's application for further consideration. Accordingly, the parties have executed a stipulation voluntarily withdrawing this action. Specifically, the stipulation calls for the action to be dismissed, subject to the plaintiff's right to reactivate within 90 days (upon 10 days notice to the U.S. Attorney's Office) if the agency has not approved her naturalization application by that time. I have enclosed the stipulation and respectfully request that it be so-ordered by the Court. In light of the stipulation, I further request that the status conference scheduled for this matter on March 13, 2008, be adjourned.

I thank the Court for its consideration of this request.

Respectfully,

MICHAEL J. GARCIA
United States Attorney
